Fiscal Note Version – New
Requested by Representative Todd E. Taylor

Description

House File 127 provides for the biennial licensure of elevator contractors and elevator mechanics.

Assumptions

- There are an estimated 25 conveyance contractors and 250 conveyance mechanics that will register and pay the licensure fee every other year beginning with FY 2010.
- There will be few if any applications in odd-numbered fiscal years.
- The Safety Board will establish a \$500 licensure fee for contractors and \$125 fee for mechanics.

Fiscal Impact

House File 127 will generate an estimated \$44,000 for the Elevator Safety Fund every even-numbered fiscal year beginning with FY 2010, for an average of \$22,000 annually. The salaries and expenses paid from the Elevator Safety Fund will increase by \$56,000 for each two-year period, for an average of \$28,000 annually. Therefore, the average annual net decrease to the Elevator Safety Fund is \$6,000.
